WORK EXPERIENCE

FreeLance Web Developer | 2021 - present

- Working on a range of freelance web projects
- Proficient in HTML,CSS,REACT.
- Maintained applications and updated them.
- Able to identify problems and bugs in the code and quickly resolve the problem.

Volunteering, Syria — BlueBits (technical Member)

I was a volunteer in blue bits team as a technical member for five years. BlueBits team is a volunteering team that helps students in all aspects of their college life, such as writing lectures and helping them to prepare for exams. It was a great experience from which I learned many techniques that helped me to become a better developer.

Mayar World, Ankara, Turkey | 2/2019 – 2/2020

Front-End web developer

I worked with mayar world as a front-end web developer, and it was my first real world experience, I have learned many things.

AbdulQader_Q@hotmail.com
